Joint SCERIN-MedRIN workshop – HOST organization

Aristotle University of Thessaloniki (AUTH)

- Founded in 1926, AUTH is the largest university in Greece, consisting of over 40 departments, faculties and schools plus a central administration.
- AUTH has been involved in more than 80000 research projects, conducted in close collaboration with Greek and other European academic and research institutions.
- Many projects are financed by the Commission of the European Communities, the ESA and other organisations.
